

TENA Men Active Fit Pants

Masculine protection for the active man

TENA Men Active Fit Pants has protection where men need it most: the Secure Absorption Zone is positioned upfront and designed specifically for the male anatomy to efficiently lock-in leaks and odours. The navy blue colour and masculine cut gives a more discreet and male appearance while the soft stretch Active Fit material means the product follows every move, staying discreetly and securely fitted.

Product	Article Number	Working Absorbency	Total Packaging
TENA Men Active Fit Pants Plus Medium	772509	400ml	(36) 4 x 9
TENA Men Active Fit Pants Plus Large	772608	400ml	(32) 4 x 8

For the User: Discreet, comfortable and masculine pants with active protection where it is needed most.

For the Carer: Distinct 'cup-shaping' better fits the male anatomy and a back label provides easy identification.

For the Purchaser: Able to better meet the needs of male customers
