

NEW

TENA Shampoo Cap

Caring, convenient hair washing

The new TENA Shampoo Cap is pre-moistened with a non-rinse hair washing formula. Ideal in situations where normal hair washing is challenging or not possible, TENA Shampoo Cap is an easy and convenient hair washing solution.

Used straight from the packet or warmed in a microwave and gently massaged on the head, TENA Shampoo Cap fully cleanses the scalp, leaving hair fresh and clean, and the individual feeling relaxed and refreshed. Portable, reliable and easy to use in care facilities and professional home care environments.

- Comfort and dignity for individuals
- Easy and convenient when hair washing is difficult
- No need to add water during use or rinse with water afterwards
- With a gentle, relaxing and caring massage, hair is left clean and conditioned
- Mildly scented leaving hair feeling fresh

TENA Shampoo Cap User Guide

Use one TENA Shampoo Cap product for each individual.

Ensure the individual is at ease and explain what you are about to do. Apply the TENA Shampoo Cap over the hair, leaving the ears uncovered. If required, place a small towel under the head on a pillow.

Carefully and gently massage TENA Shampoo Cap over the head for 3-4 minutes then remove it. It is not necessary to rinse afterwards.

Dry the hair and restyle afterwards. Dispose of TENA Shampoo Cap immediately after use.
